IDEA-2663-65

Cy 5 of 6

21 JUN 1965

MEMORANDUM FOR: Deputy for Field Activities, OSA
Deputy for Technology, OSA
Chief, Support Division, OSA

SUBJECT : IDEALIST FY 1965 Reprogramming

1. A review of the FY 1965 IDEALIST Budget has just been completed in an attempt to fund as many of the U-2 product improvement items as possible with FY 1965 money. Indications are that approximately [] is available for reprogramming towards this end. To implement this the following contract changes are necessary:

<u>CONTRACT #</u>	<u>FROM</u>	<u>TO</u>	<u>TOTAL</u>
SC 61	[]		
NH-TR-1423			
HP-TM-525			
EP-1923			
CAMERAS			
COMMO			
TOTAL			

2. In addition to the above, request that the IDEALIST O&M account be reduced by \$19,000 and applied as follows; \$7,000 added to the Lovelace contract, and a new line item for Runway Lights for \$12,000 be included in the IDEALIST Budget.

3. Request that those offices responsible for the above changes take action immediately to assure that this reprogramming of funds is affected prior to 30 June 1965. In this regard, request that MD/OSA notify CD/OSA of those ECPs that are to be initiated during FY 1965 to cover the expenditure of the aforementioned []
